Subject: RE: FOR REVIEW: draft meeting summary for Aug 13 Meeting Concerning Potential NEPA Roles for Tribes on Pebble EIS

Thank you, Ms. McCafferty for doing this. I'll review and send to the six Tribes.

We'll follow up, as several federal officials suggested, re some specific topics, such as potential funding sources. As I recall EPA and perhaps others suggested we discuss that with EPA at a separate meeting or conversation.

I'll be in touch to do so as soon as my work load lightens a bit.

Thanks again,

Jeff Parker

Subject: FOR REVIEW: draft meeting summary for Aug 13 Meeting Concerning Potential NEPA Roles for Tribes on Pebble EIS

Hello to All,

As was discussed at our August 13, 2010 meeting, I have provided the attached draft meeting summary for your review. Please provide any comments that you might have to me. Upon receipt of the comments, I will make changes to the document and distribute the final copy of the meeting summary.

I have also attached the sign in sheet for the meeting, identified as Attachment 1 in the meeting summary. Attachment 2 - the meeting agenda and Attachment 3 - the USACE slide handout were distributed at the meeting so I have not attached them here, but all the Attachment will be incorporated into the final document.

Thanks to everyone for their participation in this process.

Sincerely,

Katie McCafferty
